Chinee Carpet Quality Assurance

ABOUT OUR COMPANY

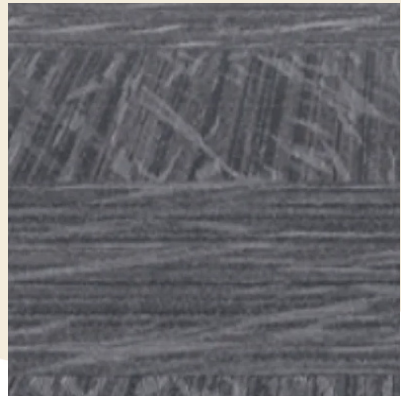

Since its establishment in 2004, Chinee Carpet Co., Ltd., a subsidiary of the Chinee Group, has grown from a manufacturing enterprise in the Pearl River Delta to an international carpet company. It integrates design, R&D, production, sales, and service. With four plants in China and one overseas, Chinee Carpet utilizes advanced technology to maintain high-quality standards, achieving a steady 10% annual growth rate. Influenced by China's carpet culture and Confucianism, the company emphasizes professionalism, quality, and service. Its global sales network spans over 80 countries, supported by independent spinning, dyeing, and weaving facilities, and collaborations with international design firms. Chinee Carpet is committed to environmentally friendly practices and holds multiple international certifications.

Looking ahead, Chinee Carpet plans to expand through continuous technological innovation and global collaboration. It aims to build a comprehensive service system for carpet design, manufacturing, and construction, adhering to the corporate spirit of "speed, flexibility, selflessness, and win-win." With a focus on customer needs, the company strives to lead China's carpet industry globally and build the Chinee Carpet brand.
